CU References Databases : Off-Campus Access

CU References Databases mainly subscribed by the Center of Academic Resources (CAR) are online reference service through Chulalongkorn University Network (CUNet). A variety of information on academic topics under license agreement is provided for the CU members. They are current students, faculty, and staff of Chulalongkorn University. CU users are able to visit many of databases at http://www.car.chula.ac.th/curef-db/. For the use at home or outside campus access (off-campus), it is important that the user follow the guided actions hereinafter. Please consult at help@chula.ac.th or call no. 0-2218-3314 when encountering connection problem with the CUNet.

Access CUNet from Outside Campus

↶ Preparations
