

RSC is a database of Royal Society of Chemistry that Faculty of Science and Office of Academic Resources, Chulalongkorn University subscribed for Chulalongkorn Community. They can access contents in biology, biophysics, chemical science, materials, medicinal drug discovery, and physics from 43 journal titles dated back to 2008. In addition, they can access:

5 Databases

-  Analytical Abstracts (<http://pubs.rsc.org/lus/analytical-abstracts>)
-  Chemical Hazards in Industry (<http://pubs.rsc.org/lus/chemical-hazards-industry>)
-  Laboratory Hazards Bulletin (<http://pubs.rsc.org/lus/laboratory-hazards-bulletin>)
-  Natural Product Updates (<http://pubs.rsc.org/lus/natural-product-updates/>)
-  Synthetic Reaction Updates (<http://pubs.rsc.org/lus/synthetic-reaction-updates>)

2 Magazines

-  Chemistry World (<http://www.rsc.org/chemistryworld/>)
-  Education in Chemistry (<http://www.rsc.org/education/eic/>)

eBook Series

-  Issues in Environmental Science & Technology (<http://pubs.rsc.org/en/content/ebook/978-1-78262-574-2>)

Access

Go to <http://www.car.chula.ac.th/curef/?filter=subject&id=4>

and click on RSC

The screenshot shows the RSC Publishing website. Callout 1 points to the 'Journals' menu item. Callout 2 points to the 'Full Text' search input field. Callout 3 points to the 'Advanced Search' button. Callout 4 points to the search input field. Callout 5 points to the 'Log in' and 'Register' buttons.

Information search

1 Journals

The screenshot shows the RSC Journals search interface. Callout 1.1 points to the 'Browse by' dropdown menu. Callout 1.2 points to the 'Find an issue' search form. Callout 1.3 points to the 'Find an article' search form.

1.1 **Browse by:** Users can browse by Title, Subject, or Year and then click on journal title.

1.2 **Find an issue:** Add information of Journal title, Year, and Issue in the boxes and then click on **Go**

1.3 **Find an article:** Users can find an article by adding DOI in DOI box and then clicking on **Go** or adding Journal title, Year, or Page in the boxes and then clicking on **Go**

- ② **Find a journal article by reference:** Users can find an article by adding its reference that is Journal name, Year, and Start page in the boxes and then click on **Go**
- ③ **Find a journal article by DOI:** Users can find an article by adding DOI in the box and then clicking on **Go**
- ④ **Search:** Select field, add key word in the box and then click on **Search**
- ⑤ **Advanced Search:** Add information and then click on **Find**

Search results

Result from using **Search** with keyword **green energy** and selecting field **Full Text** is shown as the following picture.

Result page management

- ① Users can sort results.
- ② Users can refine results.
- ③ Users can check access full text:
 - Access** or **Open Access** show that users can access full text.
 - No Access** shows that users cannot access full text.
- ④ Users can download citation to EndNote by selecting records, selecting **Download Citation: EndNote**, and then clicking on **Go**.
- ⑤ Users can click on document title to view document information. Document page will be shown as the following picture.

Document page management

- ① Users can select tabs to view document information.
- ② Users can access full text in PDF format.
- ③ Users can access full text in HTML.
- ④ Users can download citation to EndNote by selecting **Download Citation: EndNote** and then clicking on **Go**.
- ⑤ Users can search articles by author's name.
- ⑥ Users can view journal information.
